### FARMERS ORGANIZE.

Plans of the Clarksville Tobacco Growers Nearly Completed.

A well attended convention was held in Clarksville Saturday by the tobacco growers of the Clarksville district at which a plan for permanent organization was adopted, which was embodied in the following:

The organization shall be made more complete by organizing in every county of the district.

An Executive Committee was provided for, which shall consist of two members from each county in the district, who shall have the power to direct the affairs of the organization, subject to the instructions of the association.

County organizations shall be completed as soon as possible, and shall send representatives to another meeting of the association to be held in that place December 20.

The acts of the parent organization shall be merely advisory.

Competition shall be open for the purchase and sale of tobacco, in which there shall be discrimination against none.

Committees shall be named in every county district to get up petitions to Congress asking the repeal of the obnoxious sections of the Wilson bill, which hampers the sale of tobacco to the consumers, thus giving increased competition to all in the sale of tobacco.

### NEEDLE IN HER SIDE.

Explanation of Mysterious Illness of Young Woman.

Madisonville, Ky., Nov. 24.—Miss Nore Ballard, daughter of Tom Ballard, living on Mr. Omer's farm, near Grove Center, was taken ill recently and was in a critical condition. A physician was called and for several days she seemed to be in great danger. One night while those sitting up with her were doing all they could for her she felt something sharp coming out of her side. She pulled out what proved to be a good-sized needle. The young girl is now improving very rapidly and will be herself again in a few days. How the needle got on the inside of the girl is not known.

### To The Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I can recommend it with the utmost confidence. It has done good work for me and will do the same for others. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health, Ralph S. Meyers, 64, Thirty-seventh St., Wheeling, W. Va. For sale by R. C. Hardwick.

### Jumped on a Ten Penny Nail.

The little daughter of Mr. J. N. Powell jumped on an inverted rake made of ten penny nails, and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and five minutes later the pain had disappeared and no more suffering was experienced. In three days the child was wearing her shoe as usual and with absolutely no discomfort. Mr. Powell is a well known merchant of Portland, Va. ### BETHEL'S NEW PASTOR.

Sketch of a Popular Baptist Minister of Fairview.

Rev. W. H. Vaughan, pastor of Bethel Baptist church, was born in Wilson county, Tenn. He spent his boyhood days on the farm. In 1879 he professed religion and joined the Baptist church. He attended Bethel college, Russellville, Ky., for four years, and began preaching in 1890. His first charge was Locust Grove church, Christian county, and Mt. Olivet, where he preached nine years. He was called to the charge of Bethel Baptist church last September.

He was married June 3, 1902, to Miss Hallie King, of Garrettsburg, who enters into the work of her husband's calling with a zest that at once makes her popular with the members of the church her husband has charge of. Rev. Vaughan is the 6th of a family of eight children. His father, Dr. H. B. Vaughan, was a practicing physician for many years in Wilson county, and stood high as a practitioner. His mother is still living.

Rev. Vaughan has only been with this people a short while, yet in that time has rendered himself quite popular with all the people. He is a forcible and eloquent speaker, and is much in demand as a revivalist. He is fully consecrated to his Master's work, and has a bright future before him.—Fairview Review.

### A Dangerous Month.

This is the month of coughs, colds and acute catarrh. Do you catch cold easily? Find yourself hoarse with a tickling in your throat and an annoying cough at night? Then, you should always have handy a bottle of Ballard's Horehound Syrup. J. A. Anderson, 354 West 5th street, Salt Lake City, writes: "We use Ballard's Horehound Syrup for coughs and colds. It gives immediate relief. We know it's the best remedy for these troubles. I write this to induce other people to try this pleasant and efficient remedy. 25c, 50c and \$1 at R. C. Hardwick."

### Brewer's Opinion.

The five lawyers who were the attorneys for the plaintiff in the contested election case of William Goebel against W. S. Taylor, have brought suit against William Goebel's estate for a fee of \$5,000 each. While taking the depositions in the case, it was stated by one witness that two of the attorneys urged him to make the contest, but he opposed it. If that is a fact, it seems to us William Goebel has paid enough for being forced to do what he opposed, and two, at least, of the lawyers ought not to get any fee. When the doctors and lawyers get their fees, if ever, the estate will be like the straw of a bundle of wheat from a separator.—Fairview Review.

### Beautiful Clear Skies.

C. Hardwick's.

### Great Revival Services.

The afternoon and evening services at the Walnut-street Baptist church, at Third and St. Catherine streets, continue to attract large crowds, and are resulting in great good. Dr. T. T. Eaton, the pastor of the church, is being assisted by the Rev. Theodore N. Compton, who is said to be one of the most effective preachers heard here in many years. No services will be held on Saturday, but they will be continued through next week.—Louisville Post.
